ABOUT IDIA

Increasing Diversity by Increasing Access (IDIA) in Legal Education started out as a student run movement in 2010. IDIA identifies underprivileged students with an aptitude for law and trains them for law entrance exams over a 1-2 year period. Once an IDIA trainee is admitted into a law school, IDIA arranges for scholarships to support their education. IDIA seeks to empower underprivileged and marginalised communities by creating top quality lawyers from within.

ABOUT IDIA TNNLU CHAPTER

The IDIA TNNLU Chapter has been active from May 2023 and comprises of more than 50 student volunteers who are student of Tamil Nadu National Law University (TNNLU) who dedicatedly work towards inclusion in legal education. The TNNLU Chapter currently trains 6 students from underprivileged backgrounds. As a student run initiative, the chapter requires funds for its day to day functionings as well as for reaching out to more students in need.
